SKIPASS

GENERAL CONDITIONS

- Children born between 01/01/2012 and 31/12/2013 are entitled to a special rate skipass, if accompanied by a full paying adult (Confidential Price for children born in 2012-2013). These special prices are only available for tour operators.
- Children born on or after 01/01/2014 are entitled to a special rate skipass, if accompanied by a full paying adult (Fixed Baby Price – not commissionable), which includes insurance.
- Discounted children skipasses must be booked and paid for in advance as they are linked to the adult skipasses.
- It is compulsory for all under 18 years old to wear a helmet whilst skiing / snowboarding.
- The ticket offices can request to see ID at any time. If the children's ages don't correspond with those declared, the agency (and not the final client) will be charged for the difference in the cost of the skipasses issued.
- Those born before 31/12/1946, with a valid ID card, are entitled to a discount (if requested at the time of booking).
- All Vialattea skipasses, valid for at least 6 days, include a one day extension in the Montgenevre area, from Monday to Friday (Saturday and Sunday excluded).

- In case the Italian government should increase VAT or other related taxes, the skipass prices will be increased correspondingly. The reduced VAT rate of 10% is currently applied to skipasses.

The current document is not a contract but an indication of prices for next season. Sestrieres S.p.A. (Vialattea) have the right to make changes to the prices published above until the official contract is issued (before the winter season). After the official contract is issued, they still have the right to increase prices in the unlikely event of an increase in VAT or a substantial change in COVID health & safety measures.

In case of more rigid COVID health & safety measures or government restrictions that limit the number of potential tourists to the area the Sestrieres S.p.A. (Vialattea) have the right to make changes to the number of people on the lifts and the number of lifts and ski slopes open.

All clients must abide by the health & safety rules of the Sestrieres S.p.A., as well as the national rules, in order to use the facilities, and it is the tour operators responsibility to inform them of these rules.

Prices are dependent on availability. We highly recommend that you check availability with us for the dates you require before confirming the price to the client. It is advisable to book as early as possible, especially for the 16, 19, 29 and 36 seater buses as they are extremely limited.

Booking Procedure

All requests for transfers, complete with all details (contact details of the person in charge on the bus – if different to the group leader, number of people, number of skis/snowboards, flight number, flight time, airport and terminal) should be sent to info@discoveryitaly.org. Discovery Italy / Selene Tour will send a booking form with the transfer details. This form should be checked, signed and returned to Discovery Italy / Selene Tour within the date indicated. The booking is valid upon receipt of payment.

Covid Regulations

All of our suppliers abide by the national covid regulations. Should restrictions on capacity exist at the time of booking or be introduced at a later date, we will inform you. It is the client's responsibility to abide by the Italian rules and regulations and they are obliged to book a vehicle that allows them to respect any rules on distancing and capacity, at the time of travel.

TRANSFER

TERMS AND CONDITIONS

We understand that the client prefers to pay as little as possible but please do not risk the group not having enough luggage room. All coaches (even those with the same number of seats) have different luggage holds so please double check with us before confirming the booking with the client, providing details on the number of people and the number of skis/snowboards.

Approximate Vehicle Capacity (to be double checked for all bookings)							
Amount of luggage per person / Maximum number of people per bus	4 seater	8 seater	16 seater	19 seater	29 seater	36 seater	50 seater

1 x 20 kg suitcase + skis or snowboard*	3	8	10	12	18	25	40

* calculated as follows: all the pax have suitcases but only half of them have equipment.
Please inform us of how much luggage your guests will have so we can advise the coach companies.

Luggage Transportation for Sauze d'Oulx

Hotels situated in and around the traffic free zone in Sauze d'Oulx cannot be reached by bus. Please request a quotation for luggage transfer if you have any groups staying the ZTL area of Sauze d'Oulx.

Parking: parking costs have been included where applicable apart from Malpensa Terminal 1, because it is different to Malpensa terminal 2.

Flight delays or extra waiting time at the airport for return transfers will be charged at €35 per hour (€ 20 for taxis), for every hour or fraction of an hour after a 30 minute delay.

Transfer Times (based on a 50 seater coach)

The transfer times indicated are the minimum time it takes, when everything goes smoothly. We strongly advise to calculate for the coach to arrive at the airport 2h30 before departure to allow for heavy traffic, road accidents, snow, etc. The 15-minute difference allows for a toilet stop and/or compulsory rest stop for the driver.

Differences in Transfer Times

Taxis, minibuses and small buses (up to 8 tonnes) can go up to 130km/h on the motorway rather than the 100km/h of the bigger buses).
A large bus (over 12 tonnes) with a trailer must keep to 80km/h on the motorway.

TRANSFER

TERMS AND CONDITIONS

Confirmation and cancellation policy

The booking is considered confirmed when the tour operator confirms via email the booking form and payment is made within the deadline indicated.
Unless otherwise agreed, total payment for all transfers is to be received by Discovery Italy / Selene Tour 3 weeks prior to the date of the transfer.

In case of cancellation between the date of payment and up to 48 hours prior to the transfer, 70% of the total cost will be refunded. The cancellation is deemed valid when receipt has been confirmed (either verbally or in writing) by Discovery Italy / Selene Tour.

If a flight is cancelled it is the client's responsibility to inform Discovery Italy / Selene Tour. If Discovery Italy / Selene Tour is not informed and the coach leaves for the airport no refund will be possible. If Discovery Italy / Selene Tour is informed of the cancellation before the coach leaves the deposit and after 48 hours of the booked time, 50% of the transfer cost will be refunded.

The cancellation fees will not be applied before 48 hours if the service is cancelled due to the client being unable to travel in relation to government imposed lockdowns or quarantine requirements in Italy or the country of origin. A positive covid test prior to departure or self isolation due to the client being a close contact of a positive case does not entitle the client to a free refund.

SKI SCHOOL – SCUOLA NAZIONALE SCI SESTRIERE

PRIVATE SKI LESSON

2020-2021 Public Prices for Private ski and snowboard lessons (price per hour)

Low season

1 person € 42,00

Every extra person € 16,00

High and Top Season

1 person € 44,00 / € 48,00

Every extra person € 16,00

Confidential price for private ski and snowboard tuition / guiding for 1 to 10 pax*

€50,00 per instructor per hour

*For beginner lessons no more than 6 people per instructor will be accepted.

The hours can be booked any day between 09,00 and 17,00 (starting on the hour). There is less availability between 10,00-13,00 so we highly recommend advanced booking for that time slot and in high season request alternative times.

N.B.: In case of group bookings, members must be of the same level. Discovery Italy will request the name and mobile number of a group leader, who takes part in lessons. The group leader will be the referent for the ski school and Discovery Italy in the event that 1 or more members are of a different level, in this case the group leader can decide whether to:

- Take another instructor for those members
- Split the hours booked in order to divide the group into 2 smaller groups
- Keep the whole group together but remain at the level of the least experienced

Any extra hours/instructors must be paid to the ski school in resort at the public price, by the group directly.

Children (12 and under) should not be booked with the same instructor as adults for ski lessons, as instructors use two completely different techniques in teaching children and adults.

SKI SCHOOL – SCUOLA NAZIONALE SCI SESTRIERE

- Unattended lessons will not be refunded under any circumstances.

Snowboard: 2 consecutive hours from 10,00 till 11,55** (5-10 people)

In low season it could happen that the class starts at 11,00 on the Monday. Should this happen to any clients we have booked we will inform you a few days before arrival.

*If there are only a few people booked from the Sunday, an alternative solution will be proposed to the clients for the first day. Clients starting on the Sunday will do a second ski test on the Monday morning and could change classes from the Monday for the rest of the week.

**If there are a lot of people taking classes, the more advanced group will take lessons from 12,00 to 14,00

2 people € 50,00

3 people € 60,00

The hours can be booked any day between 09,00 and 17,00 (starting on the hour).

There is less availability between 10,00-13,00 so we highly recommend advanced booking for that time slot and in high season request alternative times.

N.B.: In case of private group bookings, members must be of the same level. Discovery Italy will request the name and mobile number of a group leader, who takes part in lessons. The group leader will be the referent for the ski school and Discovery Italy in the event that 1 or more members are of a different level, in this case the group leader can decide whether to:

- Take another instructor for those members
- Split the hours booked in order to divide the group into 2 smaller groups
- Keep the whole group together but remain at the level of the least experienced

Any extra hours/instructors must be paid to the ski school in resort at the public price, by the group directly.

Children (12 and under) should not be booked with the same instructor as adults for ski lessons, as instructors use two completely different techniques in teaching children and adults.
